Summertime is Family Time at The Westin New York at Times Square

Family Rooms Feature Double Queen Beds, Amenities Including, Microwaves & Family Food Cart with Goodies

Bring the Brood: Free Kids' Meals, Nightly Rates from \$199 & More

New York, NY – July 12, 2016 – School is out and that means more free time for family fun. The Westin New York at Times Square has the summertime solution for those looking to enjoy Manhattan with its 59 Family Rooms and a package offering perks that the whole crew will enjoy. The accommodations, perfect for those with kids in tow, are the largest among the property's 873-room roster.

Knowing that bringing the entire brood along requires more space and food on demand, Family Rooms feature:

- **Double Queen Beds:** While most two-bedded rooms offer double beds, the family rooms feature two queen-size Westin Heavenly Beds[®], giving much more room to stretch out and enjoy a great night's sleep for a party of four.
- **Refrigerators & Microwaves:** Arguably the most sought-after and useful amenities for traveling families, this duo makes simple meals in the room easy to serve up for little (and big) ones who are perpetually hungry (available upon request).
- **Roving Family Room Food Carts:** A mini, mobile grocery store of sorts, these new carts will come door to door with an assortment of goodies to keep the in-room fridge stocked and the family happy. There are a wide variety of beverages (juices, milk, sodas, vitamin and regular waters), snacks (trail mix, chips, cookies, nuts), candies (from Twizzlers to Twix) and fresh fruits. A number of SuperFoods -- wasabi peas, apple chips, guacamole, popcorn and more -- are also available on the cart. For those looking to have a hot snack or meal, options include pizza, macaroni and cheese and cup of noodles; perfect to make in the microwave. Breakfast foods such as yogurts, muffins, pastries, cereals and oatmeal are helpful to keep on hand for families who have rolling wake up times and a relaxed start to the day. The cart comes around in the evenings and pricing varies based on options selected.

The luxury hotel in the heart of Manhattan's famed Times Square is centrally located, making it easy for families to get around on foot or via a number of subways just steps from the hotel.

The Westin New York at Times Square's Grand Family Room package, with rates starting from \$259 nightly, includes a \$10 credit for the Family Cart, two movie tickets to the adjacent theatre, two free children's meals (for kids 12 and under) with the purchase of two adult meals and a children's welcome amenity.
