The Westin New York at Times Square Has Answers to New Year's Resolutions: Travel, Health & Fiscal Responsibility All Addressed with One Package

Weekend Rates from \$229, Plus Breakfast for \$1

New York, NY – January 17, 2017 – Travel more. Incorporate healthful habits. Save money. This trio is known to occupy the top spots on many New Year's resolutions lists, year in and year out. The Westin New York at Times Square, a luxury hotel in the heart of one of Manhattan's most-visited neighborhoods, has unveiled a weekend getaway that covers this hat trick of resolutions. Here is a look at how:

Travel More: With rates starting from \$229 for a traditional room, travel is all the more tempting when rates just last month for the same accommodations were over \$500.

Healthful Habits: With the brand's Gear Lending with New Balance® workout clothes are delivered right to your room for a nominal fee (\$5) so guests can pack light and have no excuse to skip the gym. Speaking of which, the hotel offers a complimentary 24-hour WestinWORKOUT fitness center with state-of-the-art equipment. And since we all know breakfast is the most important meal for a healthful start to the day, it is included in this escape for just \$1 for two people, a value of over \$65 per couple (normally \$32.95 a person).

Save Money: Who doesn't want to bank more of their hard-earned money? With this offer guests can combine resolution #1 (travel more) with saving. How? See above; heavily discounted rates AND breakfast for \$1 in in Foundry Kitchen. Note: Over select dates some rates can be as low as \$189.

This weekend escape is valid for Thursday through Sunday night stays. To make a reservation click [here](#). For more information on The Westin New York at Times Square, please visit www.westinny.com.
